**THE THING (1982) - Director: John Carpenter, 1hr 49 min**

In tribute to actor Donald Moffat

John Carpenter's masterful re-imagining of the classic 1951 film has become a classic in its own right - a powerful and richly cinematic work of fright, drama and paranoia featuring ground-breaking effects and powerful ensemble performances, with Kurt Russell in the lead role.

This screening is in tribute to renowned actor Donald Moffat, who brilliantly portrayed "Garry" in the film and who was a Sleepy Hollow resident before his passing. Members of Donald Moffat's family will be present for a live introduction!

**CHOPPING MALL (1986) 35th ANNIVERSARY! – Director: Jim Wynorski, 1hr 17 min** The insanely entertaining CHOPPING MALL's cult status continues to grow like wildfire and it's totally easy to see why! It's way, WAY fun, fast-paced and action-packed, and it's one of the greatest '80's mall-culture cinematic time capsules you'll ever lay eyes on! The film's co-writer and second-unit director, Steve Mitchell, will be present to introduce the film!

**Arrival Time:** Cars can enter starting at 5:30pm

**You MUST bring a printed hard copy of your Eventbrite TICKET upon your arrival at Kingsland Point Park.**

Sound will be transmitted through your vehicle's FM radio. If you plan on watching from outside your car, make sure you have a radio or device with you that picks up FM radio.

**Should inclement weather cause event cancelation, you will be refunded.**
